AFFIDAVIT

I Devon Dunham being of lawful age and first duly sworn do hereby state that I am of sound mind and not under duress. I have experienced identity theft of true name at its severest level from the foundation of the local government to federal levels of presidential consideration and consistently receiving the same result of lines of credit and loans being fraudulently opened in other names than my government assigned real name as per my birth certificate without authorization or application of any kind. To my knowledge this originates from sources capable of creating profiles and doing so by using aliases of my real name combined with the social security number of 440-02-8006.

I have filed FTC reports, and Experian, TransUnion and Equifax disputes, each regarding the theft as having been re-occurring since 1995 which have yielded investigations not being opened or open investigations resulting in conspiracy to implicate me. I have been prohibited from exercising my civil right to file public documents to distinguish and identify myself and establish personal trust as recognized by the secretary of state against my own property by the Comanche County County Clerk.

Many of my businesses have also experienced mortgage and bank related fraud and theft along with to illegally obtaining loans and lines of credit against various properties as Ourvest Capital Corp but never guaranteed or from application by me. I have no association with Arvest Capital Corporation and learned of this entity through filing of an eviction. Funds have been originated in forms of mortgages from many different local institutions that will not allow me to establish any form of relationship proving I have never applied or been extended any financial consideration.

Fraud has perpetuated itself faster through the county with the use of mortgages disguised as liens, release of liens, assignment of mortgages, and quit claim deeds against property I own and property that I do not. In example is an Assignment of Mortgage filed in Comanche County court clerk's office on 11/04/2025 with an instrument date of 10/23/2025 in book 010024 pages 237-239 in I-2025-017808. An unrelated quitclaim deed dated 12/11/2025 and recorded on 12/11/2025 in book 01005 pages 0215-0218 with instrument I-2025-019753, and finally, lien in book 010093 on pages 0070-0072 dated 1/23/2026 and recorded 1/29/2026 as instrument I-2026-01195.
