

1. The student loans on Experian show a maturity date of Jan 2026 when in fact they were set to deferment until 2028. The total debt being reported on the actual credit report is \$96,081 yet the summary says \$161,113. The other bureaus have found and fixed the fraud but Experian keeps changing the profile.

2. The address on file of 1316172 NW SHERIDAN LAWTON, OK 73505 has never been reported, is invalid, and illegally attached to the report, is proof of real name identity theft and needs to be removed. With Experian's own internal account, the address is associated with a business and is properly notated. Any obligations would report a personal residential address, especially If it is associated to any federal financial responsibilities which would require it to be even scrutinized even further.
3. The name Debra Elaine Dunham has never been used to apply for or collateralize any financial obligation and is proof of real name identity theft and needs to be removed. Debra Young Dunham, Debora Young Dunham, Debra Y. Dunham are aliases and my name should only reflect Debra E. Dunham
4. All addresses need to be removed as there is either no lender reporting it, or nothing financially related attached
5. All capital one accounts have mis-match real name and SSN info and are reporting inaccurate or mismatching address and phone information across bureaus from the lender or none at all.
6. Every inquiry highlighted in red and attached to the report is an illegal attempt to establish credit in my name and needs to be researched, investigated, and removed. The Experian inquiries algin to residential and commercial mortgage loans and lines of credit that were either approved or attempted. They are also supporting evidence of this updated report regarding Sovereign Bank and PennyMac illegal mortgages. The inquiries below are completely unauthorized and were made to reflect PennyMac.

SOVEREIGN BANK via XACTUS LLC

05/13/2025, 04/04/2025, 11/07/2024

7. The PennyMac mortgage was opened simultaneously with mis-matching real name, social security number, disclosures, and account information. The payments say they started in July but do not match the mortgage from Sovereign we originated and no payments were ever made directly to them. The welcome letter, note, deed of trust have incorrect loan numbers are not the original. The FHA assignment is missing and there is a different loan number. The note and loan were not in the abstract filed in the county, yet there are two assignments from themselves to themselves (PennyMac) with mis-matching real name info and never show one from sovereign which where it originated.
8. The SSN is wrong on the credit report and was never furnished by me. There is an inquiry from PennyMac on 12/5/2025 and was never authorized or originated by me

but coincides with the illegal HELOC attempt from Sovereign. The valid inquiry was a hard pull on 12/5/2025 by sovereign which was denied.

9. One of the assignments appears to belong to another home with matching dates for inquiries on my credit report and the other was used to open an investor mortgage. The quit claim deed filed, and illegal mortgage assignment are filed in the Comanche county court records and have matching unauthorized inquiries on that credit profile in an apparent attempt to make it look legitimate.
10. I advised PennyMac on 3/7/2026 of the severity of the situation in a Facebook messenger conversation with their official social media relations account and provided proven real name identity theft information, and a new mortgage was reported with the wrong amount and appears to be a new account and still cannot be disputed due to the current status of my Experian profile on 3/8/2026.

The inquiries highlighted in yellow are known to be accurate. The highlighted red selections are fraudulent as it relates to this report. The dates correspond to PennyMac and Sovereign attempts to ruin my identity and take place July – December.
